COUROS

The image shows a close-up of a camel leather surface. The texture is characterized by a dense, irregular pattern of fine, raised ridges and valleys, creating a complex, organic appearance. The color is a warm, golden-brown or tan hue, with subtle variations in tone across the surface due to the lighting and the texture itself. In the bottom-left corner, there is a black rectangular overlay containing the text 'camel' and 'couro' in white.

camel

couro

The background of the entire image is a dark brown, heavily textured surface that resembles leather or a similar material. The texture is characterized by numerous fine, irregular cracks and creases, giving it a rugged and aged appearance. The lighting is slightly uneven, with some areas appearing darker than others, enhancing the three-dimensional quality of the texture.
